USA Patriot Act Disclosure

Effective on all loans funding on or after October 1, 2003 TLC Financial Network, Inc. ("TLC") will be required to comply with Section 326 of the USA PATRIOT Act. Section 326 creates a statutory obligation to verify the identity of each customer/borrower. This requires TLC to implement and follow procedures that allow TLC to have a reasonable belief that it knows the identity of the customer/borrower. TLC, in response has created a Customer Identification Program (CIP).

In order to help the Government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens and account.

TLC will require that its employees perform the necessary steps of the CIP Program in order that TLC meets the regulatory requirements of the Act. Agreements with the employees will be enhanced so they are responsible for providing the CIP Notice to the applicant and that they collect applicant identity information (Name, Physical Address*, DOB and SS# or other government issued identification documents). When the employee pulls a credit report they must compare the credit report information with that provided by the applicant and document any discrepancy. If the employee collects paycheck stubs, tax returns or other documents, they are responsible for comparing the information on those documents to the identity information provided by the applicant and document any discrepancy.
